## About the Book.....

The significance of past never diminishes, either in effect or substance. To forget this vital point, sometimes becomes suicidal. A minute observation of the past and accumulated experiences helps us in shaping our present. The positive and compendious conclusions drawn from the past becomes our pioneer in charting new ways and teach us to rectify our remedies. Our present is, thus, beautified. Where there is beauty, attraction cannot be negated. It is in this way that the foundation of a concrete future is further solidified. Aspirations turn into realities. This is a realistic reflection. If the past is forgotten by marginalizing this realism, the truth of past surface as a path strewn with pebbles. If we preserve and cherish these pebbles of the past and make correct use of them, they become the linchpin of an edifice called success. Thus, the intricacies of our path become effortless and our destination gets more and more intelligible.

**Kiran Prakashan Pvt. Ltd.**, which has been at your service since decades and helping you with the multitude of relevant offerings, has made a meaningful effort to put together these invaluable and very useful pebbles in form a book, titled **Kiran's SSC English Language Chapterwise Solved Papers**.

It is an undeniable truth that the continuous motion of the past gives birth to change. Change gets inevitability. These changes bring coherence to the changed circumstances and fulfill the exact needs of the present. We reach our destinations only by striking coordination with these changes, lest we will find ourselves at the last row in this age of competition. The destination will be left as something impertinent. Our esteemed readers must be well aware of the changes introduced by the Staff Selection Commission (SSC) in the selection process for different posts. **Kiran Prakashan** has been keeping you updated with all the relevant information related to these very changes. According to Students, Teachers and Coaching Directors demand this book has been changed and arranged by Topicwise. The latest edition **Kiran's SSC English Language Chapterwise Solved Papers** which is revised, enlarged and updated is another example of the commitment we feel towards our readers, imparting completeness in their search for a better and secure future.

The book before you, **Kiran's SSC English Language Chapterwise Solved Papers (Latest, Revised & Enlarged Edition)** has been based on the questions of English Language and Comprehension that have been asked in the various competitive examinations at the **CGL (Tier-I & II), CHSL (10+2) and Matric levels**. This book has been conceived as a holistic treatment and single solution to all the difficulties that a candidate encounters while appearing for the SSC exams. The **Think-Tank of Kiran Prakashan** has taken into account the needs and difficulties of candidates and made an attempt to simplify the subject matter by de-constructing every thread and each pattern. Not only have the questions asked in the different examinations conducted by the SSC (**till year 2021**) been compiled at one place, but also they have been compartmentalized topicwise and made easy to grasp and digest with the help of comprehensive explanations. This is a rare collection of **more than 18000 questions** and their respective explanations. It wouldn't be bragging if we say, do master these questions and their explanations, you will automatically find yourself at ease with most of what surfaces in form of examination questions. In other words, master this book sincerely; success will itself become the mistress.

### **KNOW ABOUT ENGLISH GRAMMAR & LANGUAGE**

A tremendous importance is attached to English Language in competitive exams of today. The cut-throat competition prevailing around the aspirants tell a significant tale. Hence, it becomes indispensable to prepare yourself in the best possible way, otherwise the goal remains a distant dream. A language is nothing but a meticulous arrangement of words. As an expert sculptor carves the stones in a skilled manner to give a magnificent appearance to his/her creation, in the similar way, an expert linguist arranges words suitably. This art of arrangement comes from true knowledge of grammar and collection of words. The expertise is had by continuous perspiration. If one perspires in a true way, the inspiration comes in a natural way. Then there is no deviation From the destination. If you sweat on a wrong path, it comes to

no fruition. Keeping in view the orientation and dedication of our readers and weightage assigned to English Language, we provide the A to Z of English Grammar. A well arranged collection of subject matter suffice your need and satiate your quest for a true guide. Hopefully. You get benefitted to a great extent in your pursuit of realising the long cherished goal.

**This edition of Kiran's SSC English Language Chapterwise Solved Papers** has been parcelled out into **13 Chapters**, each dealing with topicwise and comprising bulk of questions and explanations. The chapters are :

**◆ Common Errors ◆ Improvement of Sentences ◆ Transformation of Sentences (Active/Passive Voice) ◆ Direct/Indirect Speech. ◆ Fill in the Blanks ◆ Synonyms ◆ Antonyms ◆ One word substitution ◆ Idioms/ Phrases ◆ Selection of mis spelt word/correctly spelt word ◆ Arrangement of Sentences ◆ Cloze Test ◆ Comprehension Test**

Explanations to the questions serve in some way as highly directed study material. We have ensured not to bombard with you bulky study materials which sometimes prove futile if a candidate is facing severe crunch of time. **Johann Wolfgang von Goethe, considered the supreme genius of modern German literature, said once: "What is not started today is never finished tomorrow."**

Relating to what Goethe had to say, we are proud to have made the beginning of a start. And, that start is **Kiran's SSC English Language Chapterwise Solved Papers**, where facts have been consolidated and refined and presented in the easy-to-digest objective question format which have actually been already asked at the different levels and in the different formats of competitive examinations. Scientifically it has been proved that you tend to remember anything for long if that has been asked from you and you found yourself in a testing situation. So, this book has been scientifically weaved on the principle of **'Test to prepare and Success.'**

While working on this unique offering, we took pains to ensure that the explanations to the questions are not only pertinent, easily digestible, but effective, too. To elucidate the relevance of explanations and develop certain ease in this respect, we would like you to get acquainted with them.

As we have inferred that SSC to great extent follows the pattern of questions asked in Graduate level, FCI, CPO, Delhi Police, (10+2) level, Matric Level and others competitive exams. held earlier. But the scope is enlarged. In short, this unique compilation of **more than 18000 questions** will serve you in more than one way.

Last, but not the least, there is no shortcut to success. Only hard work and perseverance pays rich dividends in the long term. So, we suggest you to make the best out of this unique offering before you. Let us remind you that the questions you find in this book will not only help you prepare for the SSC examinations, they will equip you with the much required knowledge and insight in 'cracking' other examinations as well.

Hugh Nibley, the famous American author and Mormon apologist said: **"Only if you reach the boundary will the boundary recede before you. And if you don't, if you confine your efforts, the boundary will shrink to accommodate itself to your efforts. And you can only expand your capacities by working to the very limit."**

Our researchers have taken painstaking efforts in the direction of accommodating and expanding to the limit. The guiding principle has been to have an eye on whatever is significant, and when you do have such a microscopic eye, there is little that can be expected to have been ignored. So, here is our new, novel and unique offering to you, **Kiran's SSC English Language Chapterwise Solved Papers. (Latest Revised & Enlarged Edition)** You will find a scratch card for online test. This will help you prepare for the SSC online exam pattern. Read this book, incorporate and digest it to reach the limits of life. See to know what it is all about.

**With Best Wishes**

## SOME NOTABLE FACTS

### SSC (Staff Selection Commission)

- Staff Selection Commission Conducts examination for Graduate Level, Higher Secondary Level and Matric Level on all India basis.
- Till now SSC conducted Combined Graduation level Examination used to be held in two parts i.e. Tier-I and Tier-II. But from now onwards this examination will be held in four parts i.e. Tier-I, Tier-II, Tier-III and Tier-IV.
- Earlier in SSC conducted Tier-I Exam used to have 50 questions on English Language & Comprehension out of 200 questions, while in Tier-II a candidate had to answer 100 questions. But from 2016 onwards in Tier-I out of 100 questions, 25 questions will be on Mathematics, while a candidate has to answer 100 questions in Tier-II.
- SSC Conducts Tier-I examination for CHSL of 100 questions out of which English Language & Comprehension carries a weightage of 25 questions.
- Matric Level exams are conducted for Multi Tasking Staff in which out of 100, 25 questions are from English Language & Comprehension and in Constable GD exam weightage of English Language & Comprehension is 25 questions out of 100.
- The Changing nature of English Language & Comprehension questions in recent exams conducted by SSC make this subject very important and deciding factor in success or failure.

### TOP 5 IMPORTANT CHAPTERS

- Combination of Comprehension Test, Cloze Test, Common Errors, Fill in the Blanks, Improvement of Sentences in recent Exams (2011-2021)
