## About the Authors

**Shri G Subba Rao** is a retired IAS officer of the 1965 batch and has a long experience extending over four decades in governance and public administration. He has worked in diverse areas of development and regulatory administration at the Centre and in Gujarat, both at levels of policy making and implementation.. He was Chief Secretary, Government of Gujarat, during June 2001 to April 2003 and later Chairman, Gujarat Electricity Regulatory Commission from May 2003 to January 2008. He was Chairman, Gujarat State Police Complaint Authority, from June 2013 to July 2013.

Shri Rao holds an MA in Economics from Andhra University, MA in Rural Development from University of East Anglia, United Kingdom, and a post graduate diploma in Public Administration from the Indian Institute of Public Administration ( IIPA), New Delhi. He has keen interest in Western philosophy.

**Shri P. N. Roy Chowdhury** has forty years of experience in teaching, public service and in highest levels of corporate management. He has a Masters in Applied Mathematics from Calcutta University. He taught in undergraduate Honours courses and later joined the IAS in 1977. In the middle of his career, he completed his M.Sc. in Finance from Strathclyde University, Glasgow, UK and an MBA from the University of Rochester, New York, USA.

At the time of retiring from the IAS in 2011, he was Additional Chief Secretary to the Government of Gujarat. Post retirement, he joined the Adani Group and is presently working with the Group as Advisor, Strategic Management. He has written a number of books—four of them in Gujarati, covering the requirements of the state Civil Services examination. He co-authored *Good Governance: Theories, Challenges and Case Studies* with Shri Subba Rao, IAS (retd) which is a unique, innovative and relevant book for our times.

# PREFACE TO THE SEVENTH EDITION

**T**he Seventh edition of this popular and highly acclaimed book has been updated with the latest Ethics Solved paper. The book has now all the solved papers from 2013 onwards.

It thus provides valuable insights into the type of questions asked ever since this paper was introduced in the UPSC main examination. The answers have been carefully framed keeping in mind the word limit and also the language and expression that the UPSC expects from its aspirants.

We are hopeful that this authoritative text book with a strong, conceptual base, plenty of Case Studies and the past years' solved papers, would be a complete resource manual for aspirants

We wish the readers/ aspirants all the best.
